Performance Player Grants

A player grants scheme was piloted in 2023, putting players at the center of decisions around support and services they require to best develop their game and reach the highest levels internationally. Funding will support players competing in events internationally and with their preparation and training to compete at the highest levels.

The scheme will be continue to be piloted for the first half of 2024 and will provide support to a select group of players who demonstrate the highest levels of commitment and the capacity to qualify for future Olympic Games and medal at European and World Championship levels. The scheme will invite applications in February 2024.

Squad Sessions

Squad sessions for Senior Men are coached by Eoin Ryan, while sessions for Senior Women are coached by Ken Flynn for the 2023/24 season.
