

## **Selection Process for Women's WSF World Team Championships 2024**

### **WSF World Team Championships**

**Hong Kong**

**China**

**December 09 - 15**

Due to the shortened selection window for the WSF Team World Championships, the following selection criteria will apply. The selection panel will closely monitor player performance in the events listed below and will select the four (4) best-performing players to qualify for the Irish Team Trials, scheduled for the weekend of October 26–27 in Dublin. Following these playoff matches, the top two (2) players will be selected for the Irish Team.

**Criteria Exemption:** Any Irish player, whether living abroad or at home, who is an active member of the PSA and has achieved a world ranking in the top 150 will be subject to different criteria. To qualify under this exemption, players must be actively participating in events both at home and abroad and competing in PSA Challenge Tour 6 Tournaments (or higher) between August 1 and October 31, 2024. Once they meet these requirements, they will be exempt from the home-based player criteria and the team trials planned for October 26–27 and will be selected to represent Ireland at the World Championships.

### **Events:**

- PSA Curragh Open – September 14–15
- National Team Selection Training – September 28–29
- Munster Senior Open – October 5–6
- PSA East of Ireland Sutton Open – October 18–20

All home-based players are advised to compete in all the events listed above, with a minimum requirement of three, one of which must be a tour event. Please note that the playoffs will take place in Dublin on the weekend of October 26–27. All eligible players must be available for this.
